What is MIT THINK?

We are an educational outreach program run by MIT Students that aims to give high school students the opportunity to explore STEM research and development. Students accepted into the program will receive funding for their project idea, a scholarship and more!

What will you receive if accepted?

- \$1000 to fund your project
- A \$200-500 Scholarship
- An all-expense-paid trip to MIT
- Mentorship from the MIT THINK team and from MIT professors

What do you need to apply?

- An awesome idea for a potential STEM-related research project
- A partner (optional)
- A project proposal

Eligibility Requirements:

- Must be a full-time high school student at the time of application
- Must be a U.S. resident
- One submission per applicant
- One or two students per project
